Scholarships for Providers for Underserved

Limited scholarships are available for the [UVM Integrative Pain Management Conference](#) for Healthcare Providers Caring for the Underserved. This scholarship opportunity came out of collaborative discussions between the Alliance to Advance Comprehensive Integrative Pain Management (AACIPM), Integrative Medicine for the Underserved (IM4US), and University of Vermont Integrative Health (UVM) help prepare a team-centric integrative pain management workforce and promote a pipeline of clinicians ready to meet the demand for whole health pain management for people who are underserved. Conference is **May 7, 2021**.

IAYT's Symposium on Yoga Therapy and Research (SYTAR)

Virtual conference **June 17–19, 2021**. SYTAR brings together a mix of professional development, networking, and social events, and [this year's schedule](#) is unparalleled. Keynotes, concurrent sessions, panels, and more will cover research, practice, and policy issues for yoga therapy.

Integrated Center for Group Medical Visits: Call for Presentations

First ever conference devoted to group medical visits! This new event will make its debut on Friday, **September 17, 2021** and seeks to highlight the power of connection and the future of the group visits. In light of recent events, the inaugural theme, “Together, We Heal!” will explore the resiliency and adaptations of Group Medical Visits in a pandemic world. For more information visit www.ICGMV.org.
